Dear Stacy Collins,

I am confirming the request for the Reports of Proceedings you list below.

The ACH debit process form of payment is preferred.

Thank you,
Paul

Mr. Dulberg,

The estimated cost for your requested dates are as follows:

07/21/16 - \$15

12/12/16 - \$30

As you have engaged in ordering transcripts in the past, I am confident you are aware that these figures are estimates and the actual cost could be more or less than the estimates provided.

I accept payment through an invoicing app that allows for an ACH debit process form of payment or I can accept payment through the Zelle app. Of course a traditional check is an option as well. It is entirely your choice, but please advise your preference for payment. Payment is required before I release the reports of proceedings, so electronic funds transferring is a more efficient option for you to be able to obtain your PDFs. I will not require a deposit. You can make payment once I provide you with an actual cost.

Once you confirm you wish to proceed with your request, I will begin to transcribe the proceedings. I have the time available to start immediately as of the time of this email communication and, consequently, could have the reports of proceedings completed quickly without the need to charge an expedited rate.
