Subject: Fwd: [EXTERNAL] 12/7/21 transcript

Dear Judy Carlson,

I am forwarding you a chain of emails I had with Heather Voska Hartwig concerning a missing license number on the certification page of a Report of Proceeding in Case Number 17LA377, December 7, 2021.

Also found within Heather Voska Hartwig's response is a reference to previous Reports of Proceedings she prepared for me that are missing the license number on the certification page as well but have a different case number. Case number 12LA178, dates listed below:

January 30, 2013

August 14, 2013

April 16, 2014

February 4, 2016

May 13, 2015

It appears Heather Voska Hartwig's response and certification may be in compliance with the ADMINISTRATIVE REGULATIONS For Court Reporting Services in the Illinois Courts but is not in compliance with Local Rule 1.08(c)(2) spelled out below.

Local Rule 1.08(c)(2)

Transcripts generated from the electronic recording systems shall be prepared in accordance with applicable statutory authority, rule and administrative regulation and shall utilize the following certification:

I, _____, certify the foregoing to be a true and accurate transcript of the electronic recording of the proceeding of the above entitled cause, which recording contained the operator's certification as required by Local Rule 1.03(b)(2).

(Signature)

(License or Restricted License Number)

Date: _____

I need the reports of proceedings for both cases (12LA178 and 17LA377, Dates included above) to be in compliance with Local Rule 1.08(c)(2) and PDF's of the corrections sent to me.

I can provide payment receipts for all 6 reports of proceedings if needed.

Please advise.

Thank you in advance for your help with this matter.

Sincerely,
Paul

Dear Paul,

By my signature on the certification page, the transcript I sent you is certified as an electronically recorded transcript transcribed to the best of my ability from the electronic recording. Since this transcript was not done by me live in the courtroom at the time of the proceeding, the fact that I'm a certified shorthand reporter or my license number, does not need to be included on the certification page. It is still considered certified by me as transcribing the transcript from the electronic recording.

I realize that many reporters do include their CSR license on the electronically recorded transcripts, but the license number is actually not necessary to be included on these types of transcripts. If you look back on the transcripts I emailed you in January, you will see the same setup for the certification page.

I know this might be a confusing issue. If you have any further questions, please don't hesitate to reach out.

Sincerely,

Heather Hartwig

Dear Heather Hartwig,

I noticed your CSR license number is missing from the certification page.

Please take whatever steps are legally necessary to amend and affix a new certification page with your license number and signature.

Thank You,
Paul

Dear Paul,

I am attaching to this email your 12/7/21 transcript you requested.

I also will sending you a small refund back onto the card you used to pay the PayPal invoice, as the transcript was a little shorter than I had estimated.

Have a nice weekend.

Sincerely,

Heather Hartwig
