**Subject : Expedited Request - Report of Proceedings - 17LA377 - 3/15/2021**

Dear Heather Hartwig,

After my confusion over the last request I hate to ask this but in the past few minutes it has come to my attention that I do not have a report of proceeding for March 15, 2021.

Yes, this time we are sure that court occurred on March 15, 2021 but are unsure if the court reporter has already produced a report of proceeding.

I am willing to pay for all fees associated with producing an expedited report of proceeding in PDF form.

Please advise.

Thank you,  
Paul
