You say I didn't listen!

How dare you sir.

You were supposed to have authored the whole thing and STUCK IT ALL ON ME ONE DAY BEFORE IT WAS DUE.

Now you give vague instruction and blame me for not doing what you command.

If I am not following your lead it is clearly because I am not a lawyer and I don't understand.

So I ask for you to go over it with me line by line and your response is "if you had listened but you ask advice and then ignore it"

I am and have been asking for your help but you don't seem to hear it!

I am done fighting with you.

I have attached the changes I call fix 4 that I made since fix 3.

In this fix I concentrated on rewording parts on pages 8-16.

I am continuing to make the text I had to author better.

Please take the evening and review the attached document, mark up what you think needs to be edited and lets go over it line by line so I can understand and get it done since you are obviously unwilling to author the petition.

you
pay me lots of money, yes but that does not entitle you to insult me and treat me as a slave.

I will not allow you to cause a stroke or heart attack.

You already revealed your strategy about me being 75 and unhealthy.

when this deal was made because you wanted to expand your matters into the ARDC you said you would hire another attorney to help and later you said you would help with drafting.

You can call if you want to talk but I a going for a walk.

i will continue to work on the Dulberg and Kost matters until I am fired, but in no case will I allow you to continue to snipe, criticize and tell me about the money you pay me.

Answer to question from ADR email about revision done

Latest version of the Supreme Court petition

We need to go over it together and figure out what needs to be scaled back to meet the clerks requirements in the message you sent me yesterday.

Call when your ready

Paul

Or better yet, another option, DO YOUR DAMN JOB AND AUTHOR A NEW DOCUMENT THE WAY YOU WERE SUPPOSED TO, THE WAY YOU WANT IT and provide it to me for review before doing anything with it.

Its up to you, your choice, fix what I have or do your own.

Dear Mr Talarico,

I have hardly slept for this week because of this and before that I was continuously reminding you for 35 days that you need to author the petition and get it in on time.

And with your statements that I ignore you, I am insulted and a nervous wreck because that is simply not true and with this petition on overtime to be filed I need you!

Please help rather then saying I don't listen because the truth is you didn't listen to me or the courts due date for the past month. That's on you so fix it please!

Paul
