Gentlemen,

My damned job is not to be your slave 24/7, listen to your irrational version of the truth or remind you that when we agree to the current attorney fee schedule, you first agreed to hire another then when you could not find an attorney to represent you, you promised that you and your brother Thomas Kost, will help in certain areas of your cases as my assistant.

Do your damned job, or is your word useless?

Remove all the hyperlinks and bookmarks, add all the Appendix documents, and don't try to sabotage this filing so you can add me to the lists of attorney you sue.

You have been working on this PFLTA for 4 or 5 days before it was initially filed on January 8, 2024 and rejected and every day since BUT YOU THINK YOU ARE THE LONE RANGER WHO WAS G

I have been working on this and answering your questions and researching with my Westlaw paid research assistants for days, which you knew about, and at the same time working on the K

Or better yet, another option, DO YOUR DAMN JOB AND AUTHOR A NEW DOCUMENT THE WAY YOU WERE SUPPOSED TO, THE WAY YOU WANT IT and provide it to me for review before doing anything with it.

Its up to you, your choice, fix what I have or do your own.

You say I didn't listen!

How dare you sir.

You were supposed to have authored the whole thing and STUCK IT ALL ON ME ONE DAY BEFORE IT WAS DUE.

Now you give vague instruction and blame me for not doing what you command.

If I am not following your lead it is clearly because I am not a lawyer and I don't understand.

So I ask for you to go over it with me line by line and your response is "if you had listened but you ask advice and then ignore it"

I am and have been asking for your help but you don't seem to hear it!

I am done fighting with you.

I have attached the changes I call fix 4 that I made since fix 3.

In this fix I concentrated on rewording parts on pages 8-16.

I am continuing to make the text I had to author better.

Please take the evening and review the attached document, mark up what you think needs to be edited and let's go over it line by line so I can understand and get it done since you are obviously unwilling to author the petition

pay me lots of money, yes but that does not entitle you to insult me and treat me as a slave.

I will not allow you to cause a stroke or heart attack.

You already revealed your strategy about me being 75 and unhealthy.

when this deal was made because you wanted to expand your matters into the ARDC you said you would hire another attorney to help and later you said you would help with dr

You can call if you want to talk but I am going for a walk.

i will continue to work on the Dulberg and Kost matters until I am fired, but in no case will I allow you to continue to snipe, criticize and tell me about the money you pay me.
