Dear Mr Talarico,

I have read through the response and it seems that basically we are asking for the defense to cite cases correctly and are newer than 2013 and not addressing the core of their arguments, is this correct?

Thank you for enlightening me about the Illinois Supreme Court adopting the limitations on waivers in 2013. I intend to look up the differences from before and after the adoption later today.

I had no idea the Supreme Court adopted those in 2013 and this is why I am no good at legal research and it is best left to you.

Was this filed yesterday?

Thank You,

Paul

Dear Mr Talarico,

I received the response and briefly glanced over it.

I have a prior commitment today, I have to take my mom to the Dr's, so I don't have the time to go over this in detail.

If you file this today I have to trust in you and pray it is correct and true.

I will be taking a detailed look at the response tonight and tomorrow.

Thank you,

Paul
