**Subject:** 17LA377 Barch Documents subpoena

Dear Mr Talarico,

I am still working on what needs to be amended in the complaint and will need more time to get the specifics all spelled out.

I am stuck on an issue that I need to know how this is supposed to work. Explanation and question to follow:

Clinton firm subpoenaed all documents and communications with the Popovich firm from the McGuire's attorney Ronald Barch and the Clinton firm received those documents and communications from Ronald Barch.

My question is: were those communications and documents bates numbered, turned over to the defense and does Mr Flynn know of the subpoena and the documents and communications gathered from the subpoena?

I would like to use those communications and documents between Popovich and Barch in a few of the facts that need to be added to the complaint.

Thank You,  
Paul
