Subject : Re: 10 Requests to Produce
Dear Mr Talarico,

With the changes we made during our phone conversation to the typos in the definitions these production requests have my blessing.

Enjoy a well earned break.

Thank you,
Paul

I am sorry that you had such a short time to review the previous 10 Interrogatories but the 28 allowed in combination with the 20 discovery questions with the large amount of documents possibly subject to these limited questions and retaining and bringing your consulting expert barely left me with time to eat and sleep.

Please see the attached and if approved I will serve them.
