Dear Mr Talarico,

Diane Panos - Allstate

I am adding this name to the potential witness list just because I found it in (POP 000055) which is an email exchange that took place on Tuesday, July 22, 2014 between Sheila Quinlan with Popovich and Diane Panos with Allstate about Dr Kujawa's deposition.

I found the name when digging through documents for the 3rd amended complaint and didn't recognize it and thought I better add it cause I keep discovering new strange things every day and sometimes people or documents that seem inert turn out to be otherwise.

Thank you,  
Paul
