Another handwritten "TJP" on documents found.

POP 001144

Please add to complaint and file showing proof of Thomas J Popovich not just supervising Mast but hands on and active in the case.

Side note on this same document below:

Dulberg Master FileDulberg Cicero France Barch Production Complete\Pleadings Part 2.pdf

Barch hand writes the date of 8-14-13

Not sure of the significance but it is a court date for 4 months after the file stamp on this document and something to keep in the back of the mind.
