**Subject : After hearing**

Dear Mr Talarico,

I have to go pick up my brother whom appeared in court with the thumb drive for us.

I will be available by phone only and will not have access to the files for about 2 hours if you need anything.

I will order up the transcript as soon as I am back at home.

Lets discuss options about reconsidering the ruling and possible appeals over the next week.

Thank you for today,  
Paul
