Dear Mr Talarico,

I just logged in and checked, the estimated delivery date was 3/30/2023. It was processed on 3/24/2023 and mailed to you in the afternoon of 3/24 or morning of 3/25/2023.

So, I did call and was told to give it a few days more for the post office to deliver it before cancelling and issuing a new check.

I agreed with the banking assistant, in the past it usually shows up within a couple days of the estimated delivery date and I don't believe I have ever had to actually cancel and reissue any of the previous checks that didn't get to you on the estimated delivery date yet.

Did you get the thumb drive containing Clinton/Williams emails that was sent to you?

Thanks,
Paul

Dear Mr. Dulberg,
The expected amount has not yet been received.
Maybe you should call your bank for status.
Thank you,
