Would be nice to know if Otto uses this rule:

- A. Some judges may require the parties to hyperlink, within the body of the brief, to their attached exhibits and to the cited cases.  
case coordinator can provide additional information.

I have found nothing to indicate this.

I am attaching the Law Division General Order for all divisions.

Judge Otto does not list a supplement to the General Order but refers the reader to the Daley Law Bulletin which I review as necessary.

Thank you,  
Alphonse A. Talarico, Esq.

Does Judge Otto allow this:

- A. Some judges may require the parties to hyperlink, within the body of the brief, to their attached exhibits and to the cited cases. The judge's case coordinator can provide additional information.**

I'm just waking up, are you saying the courts rules don't allow us to respond with the facts because there are too many?

Gentlemen ,

Please see the attached General Order Law Division (Page 7 only) limiting Response Briefs to 15 pages as I previously noted in verbal communications.

Our Response, without incorporating yesterdays changes/additions is already 23 pages.

A solution to consider is review the Response and edit any unnecessary wording or topics.

Another solution is to file a motion for permission to increase the page limit of the Response.

I have been working non stop all month on your three litigation cases and, after the experience of the last two months, i request a payment of \$12, 000.00 be made today, so that I will not have to wait to July (the payment in June was related to work for the month in the month of May.

As always thank you for the confidence you have shown in litigation your very serious and complicated matters.

Your anticipated cooperation is greatly appreciated,  
Alphonse A. Talarico, Esq.
