Keep the attached court transcripts together in all exhibits in the future. They go together because they tell the whole story about how binding mediation was formed.

2016-06-13 transcript is first mention of binding mediation

2016-07-11 working on a possible binding mediation agreement together

2016-07-21 they have come to a "semi-agreement" and still need to work out some details

2016-08-10 they have a binding mediation agreement and a hearing date
