I like the idea of just exhibit no. and bates number.

Ex.

Exhibit 1_Dulberg 000001

Exhibit 2_POP 000001

I don't like the idea of putting the cart before the horse by making the footnotes first then naming the exhibits later, seems to me that may be faster for you now but the error margin increases and 1 error could mean much more time eliminating the possibility of another, particularly when the path to the exhibit comes into play.

Footnote ex:

1 Exhibits/Exhibit 1_Dulberg 000001

Also, I believe you are using the file from the path below or some copy of it:

Macintosh HD/Users/pauldulberg/Desktop/Files/17LA377/Timeline of Documents/0000-Timeline by Year and Month/
Dulberg 0001-8708_Combined from Originals_OCR.pdf

Dulberg 0001-8708_Combined from Originals_OCR.pdf

The above file has over 256 comments as well as highlighted, crossed out, and underlined text on hidden layers that some programs see and others don't.

I just checked and every file in the path below is clean to pull from for exhibits that use Dulberg Bates numbers:
MajoveOS/2020-09-08_Legal Malpractice Case/Clinton Firm/Clinton Case File-Recieved on 2020-09-08/Dulberg Master File/Dulberg Docs Produced by Dulberg to OC
Dulberg Stamped 2646-2649.pdf
Dulberg 2650-7892.pdf
Dulberg 7893-8551 .pdf
Dulberg 8552-8708.pdf
Dulberg Bates 2620.pdf
Dulberg Bates 2639 to 2645 2020 Jan 31.pdf
Dulberg BK Files Bates 2599 .pdf
Dulberg Document Disclosure FINAL 2019 May 29.pdf

I check this file below and it is clean to use for Popovich bates numbered documents:
MajoveOS/2020-09-08_Legal Malpractice Case/Clinton Firm/Clinton Case File-Recieved on 2020-09-08/Dulberg Master File/Dulberg Def Doc Production POP 00001-001455.pdf

If you want documents filed with the clerk it will take more time, I will spend a few hours overnight checking the clerk stamped files and provide you with a path to clean documents once I find it.

All the files you sent in the Zip are clean of notes

In Dulberg 0001-8708_Combined from Originals_OCR.pdf
The following Bates numbers have notes that must be removed before using as exhibits
Bates numbers with notes:

1-226
829
861
1096
2258
2259
2598
2599
2645
2646
3742
3774
3994
5245
5246
6571
6572
