To Whom It May Concern:

Regarding the subpoena for documents served on me in the case of Dulberg vs. The Law Offices of Thomas J. Popovich, I am providing this additional information regarding the three requests.

1. Request for 20 contemporaneously dated original signatures. I was able to find 14 documents that had my signature on them. I provided 15 examples in the electronic file, but in reviewing them I realize that file number 8 does not contain a signature.

2. Request for 20 contemporaneously dated electronic signatures. US Legal Support is the only organization that has use of my electronic signature. The office I work with is located at 200 West Jackson, Suite 800, Chicago, IL 60606. The office phone number is (312) 236-8352. I am unaware of any of the names of the individuals who are involved in the process of the electronic signature.

If any further information is required, please feel free to let me know.
