Neither we nor Mr Talarico can pay the correct amount unless we are allowed to keep a proper record of payments and of the remaining balance to be paid.

Mr Talarico, we must stay in communication to meet our obligations to Mr Chapman because we do not even know how much to pay without coordinating it between ourselves.

If Mr Chapman has no further comment, then we have no choice but to work out payment directly with Mr Talarico. We certainly would not want to overpay!

Mr Talarico, are you represented by an attorney in this matter of payment to Mr Chapman or should we communicate directly to you?

Please inform us how much you intend to pay, when you intend to pay. Please provide us with a theory of liability which explains the percentage of payment of the total sum you will be paying.

As you know, we have direct evidence provided to you in 2 court documents and in a series of 11 videos available to the public that you have been collaborating with opposing counsels since before filing the complaint on December 8, 2022.

If any of the information contained in the documents and video is incorrect, please let us know so we can correct it. Please let us know which paragraphs in the court documents are incorrect so we can correct them. We do not want to provide the public with false information.

Mr Chapman, if the information in the documents and videos is correct, then we anticipate you will try to help Mr Talarico avoid payment while getting Dulberg and his blind mother to be responsible for the entire amount. (Anyone who watches the videos can understand that opposing counsels will now try to help Talarico because of the many favors that Talarico did for opposing counsels.)

It is our position that Talarico has been (effectively) collaborating with opposing counsels since before 22L010905 was filed on December 8, 2022.

We document the collaboration process in detail in the documents we submitted to the court on February 24, 2025 and on March 17, 2025.

Based on evidence contained in those documents, it is safe to anticipate that attorneys will continue to collaborate to set me and my blind mother up to pay the total amount of the ruling.

Robert Chapman wrote that, "There is a judgment against you and the Dulberg trust for which you and the trust are 100% responsible (without regard to Talarico).

Please let us know how much you are willing to pay, when you will pay it, and, if to be paid over, time, on what terms."

It is obvious to anyone acting in good faith that I cannot answer "how much you are willing to pay, when you will pay it, and, if to be paid over, time, on what terms" unless I know how much is owed.

Are you asking me to propose a payment plan based on the entire amount owed? On half the amount owed?

How can anyone propose a payment plan without knowing how much is owed and the remaining balance to be owed?

Please be more specific so we can speak in concrete numbers.

I have received no response to my previous inquiry so I am including them again with these additional questions.

I am on a fixed income (SSDI), my Blind Mother is on a fixed income and lives here.

I need to know:

1. How much do you plan on collecting from Mr. Talarico?
2. When do you plan on collecting from Mr. Talarico?
3. How much do you plan on collecting from Dulberg?
4. When do you plan on collecting from Dulberg?
5. To what address should any payment be mailed?
6. To what name should any payment be made out?

A response to this request for basic information would be nice.

We owe this money jointly and severally.

How much do you intend to pay?

When do you intend to pay?

I need this information to make sure ADR is paid the full amount.

Mr Long,

Are you retained by Mr Talarico for the issue concerning the post judgement award owed to ADR Systems?
