Hi George,

Here is the notice of deposition. It looks like all the agencies are set up to have the reporter there with you or remotely, so it is just a matter of minor logistics. More to come on that.

For Friday:  
f(1) and f(2):

1. We have a firm date for Hans Mast deposition.
2. That after that deposition, Plaintiff will determine whether he wants to take Thomas Popovich's deposition or a representative of the Popovich firm (I can only imagine that it would be Thomas Popovich). I don't believe that there will be any other depositions from our side, but I would like f(1) and f(2)s to stay open through the summer.
3. Let me know if you think you'll have any more folks you want to depose.

Written Matters:

There is some outstanding updated written discovery that you requested and needs to be addressed after Plaintiff's deposition. It was put on the back burner due to the COVID crisis. But I will get on top of that. If there are any issues, we can address them before the next court date.

Next Date:

Early August? Early September? We should be ready to close f(1) and f(2) at that point.

Best Regards,

Julia Williams

Hi Mary,

I set Hans Mast Deposition for June 25. I will get the exhibits organized. We will do it remotely—so no one will be in our office (except maybe me). We'll need to work with the Court reporting agency to get that set up. The notice is attached—can you put it in dropbox?

I'll be in touch again re the exhibits and setting up the court reporter.
