Hi Julia,

I am attempting to send the Gooch emails I received as attachments within this email and the emails to follow.

The first one will have the subject line read Start of Gooch communications.
The middle ones will have the subject line read Middle of Gooch communications.
The last one will have the subject line read End of Gooch communications.

From my test it appears that the emails should embed in both the body of the emails and as attachments.
Any attachments of documents sent with the original email also attach as an attachment but not in the body.

I'm hopeful this works, if not let me know and I will resend each email individually.

Thank You,
Paul

Hi Paul,

Wanted to make sure you got Stefanie's voice mail that your appointment has been moved to 4 pm today. Your brother stopped in Monday for the appointment and Tom told him it was moved to today from 2 – 4. Tom said he wouldn't be back in time to see you at 2.

Also, I do not see in ANY of the scanned stuff we did, both your boxes and Baudin's boxes, that we have a copy of the retainer agreement you signed with Mast and Popovich's office. Do you have a copy of it at all either signed or unsigned? If so please bring it with you today, I need to attach it to the complaint as an exhibit.

See you at 4.

I'm guessing it was never dated. The one Baudin's office sent to us is fine.

Did Tom tell you he needs the costs for the filing fee paid before we can actually file the complaint? I can find out how much they are and let you know (unless you already left it last night, I was gone before your appointment ended).

Hi Margret,

I'm sorry to say but if I had a dated copy it would have been in the boxes of documents you scanned.

If you cant find it in the scanned documents please let me know, I can go through the boxes again over this thanksgiving weekend.

Let me know either way.

Thanks,

Paul

PS. Honestly, My memory is a bit foggy due to the time that's elapsed since I first met with Hans Mast and signed that agreement but the way I remember it Hans had me sign the agreement and it didn't have a date on it. I remember asking about that cause I thought I had to fill it in and I wasn't very good at writing anymore due to the accident and Hans said something about it doesn't matter because his secretary Sheila would take care of that. I just said ok and signed my name as best as I could at the time. I trusted it would have been done.

Hi Paul,

Tom asked me to obtain the filing fees from you (which I mentioned in my earlier email) prior to filing suit. I am not certain if he remembered to ask you for these when you were in last night, and I was gone before your appointment ended. These costs for the filing & service fees are mentioned in your retainer agreement, paragraph 3, as expenses the client must pay in addition to the attorney's retainer fee. My instruction from Tom yesterday was that we cannot file the suit until we have these fees from you.

The breakdown is as follows:

McHenry County Court Filing Fee: \$ 464.50 (252.00 Court Fees, \$212.50 Jury of 12 Demanded)
Service fees \$ 130.00 (two separate defendants, \$65 each)

Total needed: **\$594.50**

We look forward to receiving your check as soon as possible. If sending a check you may make this payable to: The Gooch Firm and note Filing & Service Fees in the memo section. If you pay by credit card we can accept a payment over the phone.

I can stop in today with a check for the filing fee.

Will you be there till 5pm today or are you closing earlier due to the holiday?

On another note;

Tom asked me to read over the complaint and email you with any corrections or concerns. the following items are what I have found at first glance.

On page 2, 6th item it says; "having been called by his neighbors Caroline McGuire and William McGuire..."

To be correct it could simply read "having been asked" rather than "having been called"

Explanation: Their son David Gagnon called me on the phone the day before and asked if I wanted the wood from a tree he was cutting down at his (moms) Caroline and William McGuies home and I told David Gagnon I would stop by the next day to see what he had. Caroline McGuire asked me to help her son David once I was already there because her husband was tired and went into the house and David Gagnon was complaining to her that he needed help. Thats when Caroline McGuire asked me to help.

Page 2, 6th item it says "Dulberg was an adjoining property owner."

This is False, I live 2 roads over from the McGuires property and cannot even see their property from my property.

Thats about it at first glance. I will email more if I find anything else.

Thanks,

Paul
