Hi Julia,

Any of these dates work for me.

The only consideration I have is that I would still like to meet with you and Ed prior to Mast's deposition, this can be a video conference.

If it is a video deposition, will we be able to use the video down the road at whatever form the trial takes or will we be stuck with the transcript only?

Thank you and stay safe,
Paul

Dear All,

I am working with George Flynn to reschedule Hans Mast deposition. To, hopefully, be able to have the deposition in person, we were looking toward the end of June.

How is June 16, 17, or 18 for everyone? Likely an 11 am start time at The Clinton Law Firm offices.

If we continue to operate under the "stay at home" order, then we will consider switching from a "live" deposition to a "video" deposition.

Best Regards,

Julia Williams
