Dear Mr. Dulberg,

Sorry for the inconvenience, we did receive the attached Motion to Dismiss from the Defendant's yesterday. For some reason it was in my junk email.

Please note they set their motion for July 20, 2018. We will keep you advised of what transpires in Court that day. Also, please know that them filing a Motion to Dismiss is most common in response to a Complaint. The Judge will hear their motion and decide if he will allow it or not. If he does, we will have to file a response to their Motion to Dismiss. If the Judge denies their motion, we will have to amend the Complaint.

Basically, you have nothing to worry about at this time. This matter will not be dismissed based on that motion.

If you have any questions, please let me know.

Thank you,
