Hi Hans and Janet,

Just thought I'd let you know the surgery on Monday went well. I'm still under heavy medication and a bit sore. The surgeon said today that he removed a bunch of scar tissue in my right forearm that bonded the muscles and skin as one. He said its all free to move separate now but the scar tissue will return. He said that getting in physical therapy quickly and with a lot of luck it should help to keep it all from bonding together again. He also had to release the ulnar nerve from compression at the elbow. It seems it bound up was under compression and formed a bit of scarring on the nerve. He did not perform the ulnar nerve transposition because he said it seemed like it would be stable enough still in the ulnar groove.

Hope that was a good explanation of what happened. I'm not all with it just yet. I should be feeling better in a few days.

Paul

Hi Hans,

I couldn't help but to laugh at that. The reason I left Dr. Talerico and went to Dr. Sagerman was because he couldn't listen worth a darn and went on a 20 minute rant about prescribing pain medication to me when I never received any prescriptions from him nor did I ever ask him for any pain medication or any other prescription for that matter. Each time I went there it was as if he confused me with someone else. On my last visit with him he couldn't even remember why I was even there and went on another rant about insurance companies. He never even asked or looked at the X-rays from the hospital and I had to ask him numerous times just to get him to read the physical therapy reports. Honestly, he scared the heck out of me and we were at odds, so I went to see someone else whom I had more confidence in (Dr. Sagerman). I'm sure Dr. Talerico is a good Dr., just one that I felt was probably over worked, was getting confused between his patients and couldn't give me the attention I needed. In retrospect, it fits that his notes are messed up and confirms my feeling about him and why I went to another Dr.

I just called the libertyville office for MidAmerica Hand and Shoulder Clinic. Talked with Gabby. She told me she could not change the record but would make an addendum to the record to clarify that I was not the one operating the chainsaw. She apologized for the confusion and said that it was lost between the Dr.'s notes and the person who transcribes the records. She is going to call your office and fax over the addendum.

Please let me know if you get the addendum and if it is ok

Thanks,
Paul

Hi Hans,

Wednesday I met with Dr. Sagerman and I signed the papers for surgery on my right arm. They are going to do an ulnar nerve decompression and transposition, and a neurolysis in the forearm. They are also going to explore and repair any other damage they find with the muscles, tendons and remove scar tissue. I am waiting on a call to find out when and where the surgery will be. They said it should be in the next 4 weeks.

I also need to get some sort of medical release signed by my primary care physician for the surgery so I met with Dr. Sek yesterday and he gave me a checkup and signed the forms.

On another note, when we last met you asked if any of the Dr.'s had been paid yet. I answered no but that wasn't true. I have paid Dr. Sek in full for each visit and Dr. Levin has been partially paid. I also had to just sign a form for Dr. Sangerman allowing them to charge my credit card \$40 a month till my bill was paid in full. I asked if they would do the surgery on a lean against a settlement and gave them your name and number to contact you. They said they would but still required I give them permission to charge my credit card.

If you need anything else please let me know.

Thanks for everything,
Paul

Hi Hans,

Just set up an appointment with Sheila for 10:00 AM tomorrow to meet with you.

Just after I set up that appointment with your office my physical therapist called and discharged me until I see the Dr. Said my evaluation was bad and they sent the report to Dr.Sangermans office and for me to call them. After calling the Dr.'s office they bumped up my appointment to Wednesday of this week to discuss surgery.

See you in the morning,
Paul

Hi Hans,

Today Dr. Levin my neurologist increased my medication of Gabapentin from 300 mg twice a day to 600 mg twice a day. I'm not happy about the increase, it already makes me extremely tired but it's supposed to help with the nerve pain in my right arm.

Not sure if you needed to know this but it is a minor change in the medical condition.

Thanks,
Paul

Hi Hans,

I'm curious if David Gagnons home owners insurance policy number checked out?

Also, from what I understand this surgery that has been suggested by two different arm specialists, the neurologist and my primary physician is going to run in the neighborhood of \$60,000.00. I want to be sure that it will be covered under the settlement before I decide to do it.

It is a direct result from the chainsaw cut and not anything else. Will it be covered or am I on my own to pay for it?

I am extremely nervous about the cost and getting stuck in bankruptcy and losing my house if it isn't covered.

Thanks,
Paul

Hi Hans and Janet,

I just got back from an appointment with Dr. Sam Biafora, another hand, wrist, elbow & shoulder specialist at hand surgery associates. He did what seemed to be a very thorough evaluation. He dug around pretty deep in my arm and did many different tests on my hand, arm and elbow. He recommended doing surgery to get the scar tissue out of the affected nerve and surrounding area. He said not to have any hope of restoring strength, feeling or reversing the paralyzed muscle that pulls my pinky finger in. But he said that going in and removing the scar tissue from the area will bring relief to the nerve and should stop the pains I get. He said that it will leave a long scar from the back of my elbow to the wrist and they will need to move the ulnar nerve to the inside of the elbow and that it will take approximately 3 months to recuperate. I mentioned the new medication I just started taking that was supposed to help fix the signals from the nerve. He said that all that will do is mask the symptoms for a while and that the only way to actually fix it is to go in and remove the scar tissue and see if any of the cut fibers can be grafted back together. He said that grafting the fibers probably won't work since its been almost a year since they were cut but removing the scar tissue should release the pain and should make a huge difference. He was ready to set up the surgery and I told him I needed a some time to talk with my mom and think about it. He set up another appointment for a month from now so I have time to think it over and said to call Dr. Sagerman if I should decide sooner.

Hi Hans and Janet,

Forgive me for combining this e-mail to both of you but both of you need the same information.

Met with Dr. Levin today at Associated Neurology. She prescribed Neurontin / Gabapentin 300 MG. I am supposed to take it in the evening for 1 week then move to 2 times daily. Then call her in 2 weeks to see how it's going. She said that it is supposed to help correct the signals from the misfiring nerve in my right arm which is causing the pain when I use my hand. And that the dosage may change depending on how and if it's working. This treatment was suggested by Dr. Sagerman to help try and avoid surgery. If it works I think this is a long term treatment because the prescription lasts for a year and the pharmacist said it goes hand in hand with the other medications I'm taking for long term pain management treatment.

I see Dr. Sagerman and his partner tomorrow for an evaluation at Hand Surgery Associates in Vernon Hills. I will let you know what happens.

Thanks to both of you,
Paul

M. Margaret Bradshaw,

I received the results from the MRI done on my right arm and Dr. Levin said the MRI came up negative. The physical therapist had already told me that this type of damage seldom shows up on an MRI. Dr. Levin said it was all muscle and tendon damage. Dr. Levin and the physical therapist both suggested I see an hand and arm orthopedic specialist.

Today my GP, Dr. Sek, wants me to get an MRI done on my neck. This would not be covered in the lien against the claim for my right arm. So I am at a loss as to how to go about getting this done. While talking to you, I heard you mention Northwestern University. How do I go about applying for this? I would appreciate any help or assistance you may have that will allow me to get this done.

I applied for help at DHS in Woodstock. They received a copy of all my medical records and approved a two month SNAP benefit. Not sure if this will be extended or if they will do any further follow-up. This is a new process for me and I'm not sure how all this works. They said they sent my application for Medicaid to the state and I guess I am waiting for a response.

Thank you for any help you can provide.

Paul

Yes, this is the correct application form. You could go ahead and complete the application yourself and send it in now. Margaret should be sending you some information soon on your claim. We have a process that we have to complete to open new files and we are still working on yours. Once you receive anything, please give me a call if you have any questions or concerns.

Thank you.

Hi Janet/Margret,

At our appointment you mentioned you could perhaps help me get medical work done thru Northwestern University. I have e-mailed you twice requesting the forms/applications needed to get this medical help. You have not yet responded. I did try to do a search for these forms and came up with the PDF attached to this e-mail. Is this the correct form? Not sure if you want me to contact NU myself or if you are the one that should be handling this for me. Dr. Sek wants to get another look at my neck because he thinks disc bulging may have increased and that there is further degeneration. There is no way I can afford to get this procedure done and you said you would assist me in getting some sort of medical assistance.

The interview we had is somewhat fleeting as I did get extremely tired. I remember something about family services but can't recall what it was I was supposed to do. Please feel free to call me with anything I should be doing.

Thanks again for all your help,
Paul

Your case is in prehearing review as of 10/28/16. I don't think it will be much longer but we have to wait for the judge's scheduler to call us. It all depends on the judge's schedule and order of cases to be scheduled. They schedule the older cases first. We will notify you as soon as we get a date.

Hans,

I have found in the paperwork you provided me of the notice of discovery for the Dr's depositions.

All of the paperwork clearly states they were to be deposed before Merrill Legal Solutions on various dates.

Upon contacting Merrill Legal Solutions, none of the Dr's depositions were recorded by that company. In fact, Merrill claims that they did not record any depositions in my case whatsoever.

So, what company did the recording of the Dr's depositions you claimed to have attended?

Hi Hans,

Sorry I need to bother you again.

I need your electronic case file for Paul Dulberg along with all paper files you have.

I did get the paper files from Brad Balke however of the plaintiffs/defendants depositions I received sections are missing in each and there are no dr's depositions at all. Brad promises he turned over everything he received from you.

Please collect all relevant information you have for this and notify me when it will be available to be picked up.

Thank you in advance for your help with this matter,

Paul

In the Paper file I received It appears that it is incomplete, sections of the depositions are missing as well as all the Dr's depositions.
Makes me wonder what else isn't included.
Any chance you have the complete file?

You failed to call me back each time.

I want a copy of my file including the digital file along with a release of all interest in any fees in the case before 9am court at the McHenry County Courthouse.

If not I'm informing Judge Meyer of your attempts to block this case from moving forward by Holding both the file and the Lean and calling the Illinois State Bar.

Hans,

If your referring to Brad Balky, he no longer represents me in this case And I am unaware of the deal you two agreed upon.

Here's the deal;

I'm offering cash in return for all leans on this case before Friday or no one gets anything.

Let me know what you want, cash amount or nothing?

Hope your vacation is wonderful,
Paul

Brad,

You could have just stopped with this is the best deal you could get but you didn't.

You pulled a Hans and assaulted me when you threatened to remove yourself from this case if I didn't sign this release before you see the judge.

That's an ultimatum and it's not something I'm going to react to positively.

The way I see it, there is more than just the 2 options in your ultimatum...

A.) I can take this deal, shut up, go away and keep suffering and praying for SSDI

B.) I can refuse to take this deal, lose you as an attorney and have to find new council or simply represent myself and start over with the same 15k on the table and possibly an extra 15k in bankruptcy surplus while still suffering and preying for SSDI.

C.) I can stop this suit all together and lose 15k, in which no one gets anything while I suffer and prey for SSDI

Any which way I go, I'm the one who's getting thrown under the buss and I'm tired of being a victim of others threats.

As of now I'm leaning towards option "C".

As you said, the medical providers have already written off my accounts as loses and that leaves Option "C", me losing 15k, well, it is kind of a cheap way of saying how I feel about the state of my legal representation and their efforts because their afraid they can't prove the defendant put a chainsaw into my arm and that the defendants mother is an elderly woman with whom the jury may sympathize yet didn't see the actual incident, refused to call 911 for help, but did call her insurance followed by a call to the hospital and lied to the staff claiming to be my mother only to disrupt the emergency room treatment not to ask how I was doing but to tell me she was insured. Good for granny, she is insured. Where was her slick phone skills when I needed an ambulance and for god sakes why lie to the hospital staff and call me in the emergency room to tell me the most important thing on her mind... The fact that she was insured. Big deal what did it do to help me?

These people had no concern for anyone's well being other than their own.
They are the type that deserve to get sued. Granny or not.

This may all make a great documentary one day about the state of legal representation and their ethical commitment to following through once they commit themselves to a client. A series false dichotomies of sorts.

It is just a leaning towards option "C" not an actual commitment yet.

I need to sleep on the options for a couple nights

I'll get back to you with my answer just before court starts later this week.

Please remind me, what is the time and date the judge set?

Thanks for everything,
Paul

Just started to read this and I think all those years of proofreading my work in the printing industry gets me in trouble.

The address of the location of the incident in the first paragraph is incorrect. If the address was in Wisconsin wouldn't we be in a different court?

Morning Brad,

Talked with my mom and it seems to us that if all I'm going to get is 15k even if we max out the defendants policy limit then I should seriously look at taking this to trial and leaving it up to a jury to decide an appropriate amount. 15k might as well be 0 because it doesn't even begin to pay for the damages I've suffered.

I know the risks and that it would cost me almost 20k more in expenses and that the defendant can run off and pay nothing beyond his insurance limits.

Assuming that Allstate may claim the act was criminal and that their not responsible has to be overcome. I'm not a mind reader and can't make any claim as to their clients intentions and their client isn't going to self incriminate himself so I don't see how their claim of something criminal can hold water. Especially since their client hasn't been charged with any crimes associated with his actions on that day.

At the last court date, The judge asked if I was doing this for principles. I answered no. However, after thinking it through... Seeing as how I'm getting virtually nothing out of this and will eventually lose my home, that I was working most of my life to keep, because SSDI can't cover living here or almost anywhere that I can consider worthy, my principles are evolving and I'm not opposed to going the distance and taking this to trial. I'm willing to make a principled point that people should not get off 'scot free' other than having to find a new insurance company after using a chainsaw on another person causing real life threatening harm with permanent damages.

I'm more than positive that a jury will award more than the insurance limits and that we will not recover anything more than those limits, but one thing is almost for sure, the defendant will most likely have to file bankruptcy to protect his assets and the next person he hurts over the next 7-10 years will have full access to his assets because he won't be able to file bankruptcy again for that period.

Either way, I get virtually nothing so principles are all I have.

On the positive side, If the jury does award an amount more than the insurance limits we get to see if the defendant has any assets that can't be protected and if he does I stand to get the costs of a trial covered a perhaps a smidgen more than 15k, if not, well then I'm in the same boat I am already and nothing changes.

Have you talked with the trustee?

My understanding was its over and that if I felt strongly about paying those I owed I still could but wasn't required to anymore.

If it turns out the suit is still in play for the bankruptcy I wonder why the order from the court I sent you doesn't list the suit as an exemption from the order. On the back of the order it details what the exemptions listed on the front mean and my order didn't have any exemptions listed.

Either way it doesn't matter.

My thoughts are, if we get enough to pay the debts all the better.

Perhaps we can get enough to undo the bankruptcy altogether.

Would be nice not having a bankruptcy on the record.

Thanks again,
Paul

(The case is the same, you still have to pay back the trustee to the extent you can once proceeds from the "sale" are realized.)

Hi Brad,

I sent you a photo of the discharge order from the bankruptcy yesterday.

Is the photo sufficient or do I still need to go to Donahue's office and get you a copy?

Also, reading the discharge order it seems to me that the bankruptcy is over and I've been discharged from all debt. If that is so, doesn't that mean there is no 15k limit anymore?

Below I have attached another photo of the discharge order.

Hi Brad,
My mom came up with a good question.
Doesn't David Gagnons homeowners insurance have different parts to the policy that apply?
Parts for just the medical, parts for just damages, parts for pain and suffering, etc...
I suppose it depends on his actual policy and how it's written but I wanted to understand your take on David's policy

Hi Brad,

Thanks for the heads up.

My understanding was the 15k bankruptcy protection limit included all my assets, not just the proceeds from this settlement. I was also informed that I can receive much more than just 15k if the settlement or trial verdict produced enough to satisfy the creditors.

Just so you know...

I won't settle just for the insurance. It isn't enough.

I don't know what a crippled dominate hand/arm is worth but it would seem to me that it is worth a whole lot more than the insurance limits the defendant has.

Thanks and feel free to call me,

Good news: got a call from Allstate adjuster, Karen O'Neil. She asked me for some of the documents and photographs. This means she is actually evaluating for the pre-trial tomorrow. I'm going to call her later today and try to get the ball rolling.

Also, I reviewed some of the items in the packages you gave me today. Thanks much for those.

Since you filed for bankruptcy protection, you can only collect \$15k from this case, maximum. (This is the exemption amount under bankruptcy law.) I'm not saying we can get you to that number, but be aware that is the most you can possibly collect.

I will call you later today after I have discussed this matter with Allstate.
